IRWIN 72

BROKER'S COMMENTS

The Irwin 72 is a classic, a very spacious 72-foot raised-salon sailing yacht built by Irwin Yachts. Known for maximum interior volume and comfort, it is highly popular as a liveaboard and a luxury charter vessel. This sturdy centreboard yacht is renowned for her exceptional stability at sea, offering safe and comfortable cruising in a wide range of conditions. Solidly built and full of character, she presents an exciting opportunity for a new owner. While the interior requires refurbishment and updating, the yacht has excellent bones and tremendous potential to be restored to her former glory
