CUSTOM BUILT ESPEVAER 865

BROKER'S COMMENTS

We are delighted to present this custom-built vessel: the Espevaer 865, which was partly designed by its current and first owner. The vessel is fitted with a reliable Volvo Penta engine and a bow thruster. A hot-air heating system has been fitted for colder days. This vessel has everything needed to allow Dutch enthusiasts to enjoy both daily and longer trips. The Espevaer 865 can be viewed seven days a week at our covered sales marina in Sneek.
