GRAND SOLEIL 70

BROKER'S COMMENTS

The Grand Soleil 70 Sinfonie Sylt was commissioned by an experienced German yachtsman and Nordic sailor, combining Italian design with bespoke specification. The Grand Soleil 70 is a striking pilot house sailing yacht, offering an exceptional balance of comfort, safety, and control. The raised deckhouse ensures superb visibility and full command from a protected position, even in demanding conditions, with key controls at the chart table. Designed for efficient short-handed sailing, she blends performance with timeless Italian elegance and a refined teak interior.
