WALLY 88

BROKER'S COMMENTS

The famous Wally 88 TIKETITOO remains one of the most instantly recognizable sailing yachts afloat, a German Frers performance sloop that fused race-boat DNA with true cruising comfort and rewrote what a modern sailing superyacht could be. Her achievement was recognized far beyond the yachting world: in 2004, TIKETITOO received the ADI Compasso d'Oro, the world's oldest and most prestigious industrial design award. Built entirely in carbon fibre with a canting keel system, TIKETITOO delivers exceptional speed, stability and efficiency under sail, while push-button sailing systems and in-boom furling make her effortless to handle with a reduced crew.
