VRIPACK SEAROCCO 1500 (STABILIZERS)

BROKER'S COMMENTS

The Vripack Searocco 1500 “AEGIR”, built in 2003, is a seaworthy motor yacht, built to CE Class A standards: a robustly built trawler equipped with virtually everything you need for voyages on the “open sea” : Hydraulic fin stabilisers, and in terms of comfort, almost nothing has been overlooked – Kabola central heating (2023), double glazing… a very well-equipped and spacious motor yacht. The overall condition of the Searocco is also superb, both technically and visually; between 2023 and 2025, a huge amount was invested in the Vripack Searocco… do pop in and let us surprise you.
