SAFFIER SE27 LEISURE

BROKER'S COMMENTS

Stunning 2024 Saffier SE 27 Leisure in pristine optical and technical condition, perfectly embodying a true "luxury roadster" on the water. Purpose-built for effortless single-handed sailing, she features electric Harken winches, a self-tacking jib, and all lines led under-deck directly to the helmsman. The folding tiller steering offers a pure, responsive sailing experience while opening up an incredibly spacious, clutter-free cockpit for guests. Her compact 2.60m beam also makes her exceptionally easy to trailer and transport across Europe. More pictures and videos available on request.

Bouwe van der Plas
