BROKER'S COMMENTS

This 1996 Najad 391 has sailed extensively around Northern Europe and through the Mediterranean and is now ready for her next adventure with a new owner. Spending most of her life in Sweden, she was stored ashore in a shed each winter for almost all years benefited from a professional refit by Orust Yacht Service in 2023 in Sweden. Designed by Thorwald Karlsson and Georg Nissen built on Sweden's Orust Island, she combines renowned Scandinavian craftsmanship with exceptional care and outstanding condition.
