

VANQUISH VQ32

BROKER'S COMMENTS

The Vanquish VQ32 is the smallest of the VQ range yet maintaining the same stylish lines and fine craftsmanship quality of the renown dutch shipyard. The benchmark sleek design and the aluminum deep V hull, gives this little gem an incredible manoeuvrability and outstanding performances, now enhanced by the brand new Volvo V8 430cv (2024). Ideal as tender to a mother ship for quick transfers or daily-fun rides, with the toilet and a small kitchen inside, is also a stylish day boat for up to 8 pers. Ready turn key for the summer 2026, the owner needs to sell quick. Offers are very welcomed.
