NAVALIA APM 165 OPEN

BROKER'S COMMENTS

"The Navalia APM 165 ROMANTICA represents a rare opportunity to acquire a classical 17-meter Italian motor yacht that has undergone an extraordinary, comprehensive refit between 2023 and 2025. Virtually every key system on board has been renewed or overhauled: her twin Yanmar shaft-drive engines have been fully serviced (including new heat exchangers, thrust bearings, and repacked stuffing boxes), the shafts and propellers were overhauled, and a brand-new stern thruster was added to complement her bow thruster, ensuring effortless maneuvering in close quarters.
