LUXE MOTOR 21M UK

BROKER'S COMMENTS

The Luxe Motor 21M UK is the ideal vessel for those looking to explore the European inland waterways. The boat features two cabins, a cosy interior, an abundance of storage space, central heating, and all the comforts you need for extended stays on board. The vessel is equipped with a powerful hydraulic crane, which can be used to load, for example, a small car onto the aft deck. The boat is available for viewing at our covered sales marina.
