JEANNEAU 57

BROKER'S COMMENTS

The Jeanneau 57 combines outstanding sailing performance with the spaciousness and comfort of a superyacht. Designed by Philippe Briand (hull) and Vittorio Garroni (deck & interior), this yacht impresses with its elegant lines, superior build quality, and maximum safety for long-distance cruising. Thanks to an intelligent deck layout-featuring halyards and sheets led into the cockpit, along with electric Harken winches-this nearly 18-meter yacht can be sailed effortlessly, even by a small crew or single-handed.
