MOODY 41 DS

BROKER'S COMMENTS

Moody Decksaloon 41, SIMA was delivered to her current first owner in 2022. She is a in next to new condition. Ideal for long-term cruising, seasonal traveling or even as a floating home. Designed by Bill Dixon, it takes the 'one level living' deck saloon concept a step further, offering exceptional comfort both at sea and at anchor. The hardtop extends aft to just before the twin helm stations, with a sliding central canvas section that allows you to enjoy either full sun or complete protection. I Sail handling is easy and efficient with a furling mast, furling Genoa, and furling Code 0.
