BROKER'S COMMENTS

This Lagoon 46 is an exceptionally well-equipped, meticulously maintained 3-cabin owner's version, configured for serious blue-water cruising and comfortable full-time living. She is turnkey, extensively upgraded, ready to continue cruising anywhere in the world. She has had just two owners, never been chartered. Particularly well suited to extended liveaboard cruising, with a spacious owner's layout and an enormous flybridge. With its hard-top Bimini, custom enclosures, the flybridge functions almost like a third level of the boat, an exceptional amount of protected outdoor living space.
