

NICHOLSON 52

BROKER'S COMMENTS

This is a great example of a Nicholson 52 that had an extensive rebuild in 2020 including frames and planking and was overseen by a prominent surveyor. She has sailed 15 Fastnet races with good results and was built for the Royal Artillery Sailing Club. The current owner has looked after her with no expense spared to preserve her heritage. She is just in the yard having some upkeep and varnish work undertaken.
