NELSON 42 MKII

BROKER'S COMMENTS

The Nelson 42 MKII "Flyer", built in 2000, is a comfortable motor yacht with a strikingly high-quality finish. All materials used are of the highest quality and are in excellent condition ("Flyer" was finished by Royal Huisman Vollenhove). Partly thanks to its hull shape, it is a seaworthy yacht (CE:B) that performs very reliably at sea. Two MTU engines, each with 275pk. A fully equipped and seaworthy motor yacht in superb condition (exterior, interior & technical). The Nelson 42 MKII is moored in our covered sales marina in Sneek, where you are welcome seven days a week.

Henk de Vries
