BAVARIA 34 CRUISER

BROKER'S COMMENTS

The Bavaria 34 Cruiser is one of the most successful entry-level cruising yachts and an extremely popular classic from the late 90s and 2000s, designed by J&J Design. For a 34-foot yacht, it offers exceptional headroom, cabin volume, and storage space. The shipyard consistently prioritized comfort, reliable all-round sailing characteristics (suitable for single-handed sailing), and an ergonomic layout. She has spent her entire life in the Mediterranean, is not a former charter boat, and has undergone several recent refits. Available in South Spain.
