LAGOON 51

BROKER'S COMMENTS

The yacht completed its first full season this year and is now available for immediate handover. It presents an excellent opportunity for a buyer looking for a nearly new Lagoon 51 without the usual waiting time for a new build. The boat offers the spacious layout, comfort and modern design expected from the Lagoon 51, making it well suited for both private use and charter operation. Available for viewing in Marina Trogir.
