X-YACHTS X-442 MK II

BROKER'S COMMENTS

The X-Yachts X-442 Mk II is a comfortable and fast cruiser with excellent sailing performance. The yacht has never been raced and comes with a fully documented history of ownership and use. Although some cosmetic attention and replacement of certain components would be beneficial, the boat provides a very solid foundation. Combining performance, comfort and an attractive asking price, this X-442 Mk II represents an interesting opportunity for anyone looking for a high-quality sailing yacht with considerable potential.
