LUXE MOTOR 27M

BROKER'S COMMENTS

The 27-metre De Luxe Motor is the ultimate vessel for cruising the European inland waterways or living aboard permanently. From 2011 to the present day, the current owner has transformed her into a vessel offering all the comforts required on board, while also being fully modernised technically. The vessel has recently been repainted and holds a valid CVO certification until 2032. She can be viewed at our sales marina.
