BENETEAU OCEANIS 323

BROKER'S COMMENTS

The yacht is equipped with a **Yanmar 3YM30 diesel engine delivering 30 HP**, more powerful than the original engine. The engine is reported to be in very good mechanical condition. Due to its use as a sailing school vessel, a significant proportion of the recorded engine hours were accumulated at idle or low RPM during sailing trips. Currently registered under the **Spanish 6th List**, the yacht is authorised for commercial operation in *Navigation Zone 3*
