CUSTOM BRUCE ROBERTS 44

BROKER'S COMMENTS

Some yachts may look like they get you to far away destinations, this custom yacht, “Anna Caroline” has proven she makes good on that promise every time. Her current owners are honored to be a part of her sailing journey through life, doing what she does best and the stories she could tell. They are now looking at new places not yet visited and are ready to let go. When you are ready to embark on that life-changing journey but you could not find the yacht that makes that journey a reality, we welcome you onboard. Go North or South, East or West being onboard “Anna Caroline” is truly the best.
