NORTH WIND 56

BROKER'S COMMENTS

This particular North Wind 56 has been exceptionally well maintained and carefully handled throughout her years afloat. She stands apart for her high standard of systems and equipment, with a dependable 200hp engine and a powerful hydraulic power plant. Her centre cockpit layout offers excellent protection and visibility at the helm, while four well-appointed cabins sleep guests in comfort, making her an ideal choice for life onboard. Whether you are planning extended coastal cruising, a blue-water passage or a permanent liveaboard home, she is ready to deliver. Solid, charming and reliable.
