DOGGERSBANK 1400

BROKER'S COMMENTS

The Doggersbank 1400 "Amadeus" is built at the famous yard Visser en Van der Werf from Irnsum, the Netherlands and is designed by Vripack. Due to her insulation, three cabin layout, hydraulic bow- and sternthruster, hydraulic windlass and central heating, "Amadeus" is very comfortable for longer trips and longer stays on board. This Doggersbank 1400 is equipped with a good set of navigation and een Ford Sabre 185 hp diesel engines, what makes her the perfect motoryacht to explore the European waterways. Viewing of this Doggersbank 1400 is highly recommended.

Peter Spruyt
