BROKER'S COMMENTS

This Tryvia 13.50 "Barones" is built by the current owner and is built to a very high standard: all equipment for a longer stay on board is available. "Barones" has always had a berth in a covered boathouse and is very well maintained. For example, the antifouling is renewed in 2012 and all batteries are replaced in 2014. A beautiful steel motoryacht...a Tryvia you must see!
