JEANNEAU SUN ODYSSEY 51

BROKER'S COMMENTS

Setting the trend for fast cruising yachts with the Sun Odyssey 51, Jeanneau met the requirements for many sailors. Safe, reliable, stable and yet very comfortable, the Odyssey range is one of the most successful ranges in yacht building industry. This 51 model, with owners version interior layout, comes well equipped. She's delivered in 1991 to her still first owner, never been chartered.
