PILOT 40

BROKER'S COMMENTS

The Pilot 40 is an aluminum built seagoing motor yacht with classification: CE-A, designed by W. Nieland. The first owner pares no pains to maintain the yacht perfectly, so as a precaution the two stern drives were renewed in 2015. The Pilot 40 is powered by two Volvo Penta D6 engines of 330 hp each. Fully equipped with bow thruster, generator, central heating and air conditioning.
