

SUNBEAM 34.2

2008 | 10,60 m | polyester

BROKER'S COMMENTS

"Designed by Georg Nissen and build by Schochl Yachtbau in Austria, this cruising yacht has a lot to go for; good sail performance and sea keeping, comfortable, safe and build quality. The high-class joinery work in mahogany radiates an elegant atmosphere. Headroom of around 1,95m and the ergonomic use of space provide an exceptional appearance of a light and roomy interior. "
