

GLACER CUSTOM MOTORYACHT

1994 | 16,60 m | aluminium

BROKER'S COMMENTS

"Nicely built and handcrafted gentleman's motoryacht. Built in aluminium for easy maintenance and economy. Good interior layout with large ownerscabin aft and two guestcabins forward. Very well equipped with airco, watermaker, bowthruster, central heating system, etc. Built to a design from Horst Glacer, she can do some serious offshore cruising if needed. Her twin Caterpillar diesels have ample power to do fast crossings."
