BROKER'S COMMENTS

"a very well equipped and comfortable cruising yacht, featuring in-mast furling, hard dodger and beautiful hand-rubbed varnished mahogany interior. The owners have traveled widely and thoroughly enjoyed this yacht for more than ten years and have looked after her well. They have replaced her teak decks, generator, sails, batteries and much more. She is presented fully equipped, with many spare parts, tools, ropes, halyards etc. and special equipment to make this yacht fit for true world cruising."
