

JEANNEAU ESPACE 1100

1987 | 11,50 m | polyester

BROKER'S COMMENTS

"The Jeanneau Espace 1100 is a fine example of some of the great yachts Jeanneau have built over the years. Spacious and comfortable and also a joy to sail. The result is performance cruiser with good accommodations and stowage space below decks and a large enough cockpit to sail safe and comfortable. "
