

GIB SEA 96 MASTER

1986 | 10,10 m | polyester

BROKER'S COMMENTS

"Much appreciated model by Gibert Marine for better woodwork finishing inside, larger cabins and head/shower near the companion-way. This 96 Master has been kept in good condition, especially the inside and she provides much better ergonomics and woodwork than the standard 96 model. Excellent family cruising yacht for in- and offshore cruising. "
