

MOODY 376

1991 | 11,53 m | polyester

BROKER'S COMMENTS

"Designed by Bill Dixon and Primrose, the Moody 376 is an evolution of the Moody 37 design. Built under Lloyd's Register Certification for first class construction. With her powerful hull form excellent performance and handling coupled to her large volume interior with a nice owner's aft cabin and a forward cabin, a very comfortable dinette. Clear deck space and excellent inventory she is a first class cruising yacht. Don't miss out on this popular center-cockpit aft-cabin design. Inspection highly
