1990 | 14,20 m | polyester

BROKER'S COMMENTS

"A beautiful example of Beneteaus Pinninfarina styled first 45 F 5 line, famous for her stunning performance combined with luxury and design details. New sails and just had a full polish job on the outside. Privately used and for sale due to change of plans the owner. Hardly used for the last few years. She can be inspected in our salesmarina in Hindeloopen where she can be found on the hard."
