

HUNTER PASSAGE 450

1998 | 14,05 m | polyester

BROKER'S COMMENTS

"The Hunter Passage 450 was designed and built to provide the owners ultimate in comfort and liveability. A true blue water cruiser with live aboard potential takes a lot of thought, experience, technology and good sailor's sense. Warren Luhrs and the Hunter Marine design team have created a strong, safe and comfortable cruiser that performs well on all points of sail."
