

HANSE 300

2004 | 8,99 m | polyester

BROKER'S COMMENTS

"The Hanse 300 is the latest version of the Hanse 292/301 and replaces both these models. The hull, deck, rig and keels are the same but the new interior, although identical to the 301 layout, has had an exciting cosmetic overhaul. The 300 now shares the same styling features as the larger boats in the Hanse range, yet remains the best Value for Money 30 footer on the market. "
