BROKER'S COMMENTS

"The "Horizon" has undergone a refit in 2007 and is now in a condition, to sail the seven seas. 'Horizon" was originally built at the well known Folmer boatyard in Rijs after a design of the Dutch well known designer Dick Koopmans Sr., her spacious interior and shallow draft (1,25/2,70m.) makes her ideal for cruising around the world even on shallow waters."
