

MOODY 36 CC

1997 | 11,20 m | polyester

BROKER'S COMMENTS

"Moody's designer Bill Dixon created a very comfortable and practical centrecockpit sailingyacht with the 36CC model. Centreline double berth aft and two extra cabins (with single and double V-berth) for maximum comfort and privacy. Combining those characteristics with the quality build by Moody/Marine Projects (with German Lloyds specifications), the Moody 36CC is a tough package to beat. She comes fully equipped."
