

BENETEAU OCEANIS 50

2008 | 15,00 m | polyester

BROKER'S COMMENTS

"This beautiful Beneteau Oceanis 50 had some major improvements the last few years and sails beautifully with her new sails. The aft cockpit converts into a comfortable dining area, leading down to the salon with the galley port and chart table starboard. The layout is open and very spacious and well distributed, and can host up to 10 people comfortably. One large in suite master cabin forward, and 2 double guest cabins stern. Engine and systems revised and the generator with few hours.

SPECIFICATIES
