BROKER'S COMMENTS

"Build for an experienced owner which shows in her concept and layout. The aft deck is on the same level as the side decks and the saloon which is unique. The saloon offers great views and for dining you have a second saloon below decks opposite the generous sized and well equipped galley. A big owners cabin together with a well sized cabins give all the persons on board great privacy and comfort. In short a unique boat with a layout and capacity for a circumnavigation."
