# ISLAND PACKET 370

## VAN DE MAKELAAR

The Island Packet range is quite unique. Their designer Bob Johnson succeeded in designing a well balanced cruising yacht. A host of exclusive design features, including our self tending staysail, geared steering system and time honored Full Foil Keel®, all combine to provide superior sea keeping and delightful sailing qualities that will be appreciated as much by the weekend sailor as by the couple cruising the world.

*Johan Schootstra*
