The nautitech 46 open simply offers an enormous amount of space, equivalent to a respectably sized apartment, and uses that space in a flexible manner. If you're after style and comfort and enjoy spending as much time as possible in an outdoor environment then look no further. This Nautitech 46 open has a stoway mast for cofort and a huge amount of stowage. This nautitech 46 open is very comfortable for those wanting to spend extended periods of time on aboard with guests while cruising the world.
