# HANSE 495

## VAN DE MAKELAAR

Hanse 495 was conceived to satisfy even the most demanding sailors looking for impeccable sailing characteristics as well as maximum comfort of the deck and interiors.. Single owner since her launch, she is fully loaded of optionals, to enhance the comfort and to make her extremely easy to sail short handed at sea and in Marinas. She has been maniacally maintained and from this season chartered, only with skipper, by a serious company which owns a boat yard too. So she is kept in pristine condition, ready to take the sea anytime to every destination.
