EXPLORER EXPEDITION VESSEL 85

VAN DE MAKELAAR

The Sirius 85 explorer class combines traditional Dutch trawler design & engineering, double welded construction by certified welders and fitting of professional marine components & appliances. The Sirius 85 Explorer guarantees a sturdy seaworthy vessel capable to cruise all oceans in comfort and safety at an affordable purchase price and easy sailing with owner and wife. Lloyd's Register EMEA classifies the steel hull and aluminium superstructure and the optimised hull shape ensures an economical cruising speed of 9 knots with a range of 5,000 n.m.
