ENDURANCE 44

VAN DE MAKELAAR

This solid and very well build steel hull Endurance 44, designed by Peter Ibold, has a beautiful and comfortable cockpit and a spacious forward deck. You will find the accommodation area open and light and well equipped. The yacht has been well maintained by her experienced owner, lately the electrical system has been renewed onboard and the hull sandblasted and epoxy treated in 2018. Everything is operative for a safe passage.

Tue Simon Fasting
