VAN DE MAKELAAR

Priced to sell! AMOR C was built with advanced manufacturing structures by Sealine in the UK, bridging the charm of British maritime heritage. This T60 has a surprisingly spacious layout with a large, two-level salon with an open galley, 3 large cabins and 3 bathrooms. Further, this version is the only one with a crew cabin. The accommodation and many installations have recently been upgraded / refitted, and the machinery is well maintained. A comfortable, elegant and safe yacht.
