SUNSEEKER TOMAHAWK 41

VAN DE MAKELAAR

This Tomahawk 41 is probably one of the best preserved on the market. A safe, reliable, easy to manage and fast vessel with a sleek line, reaching 40 knots and cruising comfortably at 26 knots. The same model was owned by Sir Roger Moore, for his own enjoyment. The excellent condition of the gel coat of "8464" indicates the overall great condition of the boat. The main engines were overhauled in 2022, and upgrades were implemented. A very comfortable deck area leads down to the galley on the lower deck, along with a very spacious salon. Turn key ready. Located in Copenhagen..
