DE VALK
YACHT BROKERS

VAN DE MAKELAAR

Very successful model by the world renown Oyster Yachts, is the perfect yacht to sail the world seas in full comfort and safety, short handed. S/Y "Plan Sea" is in excellent condition, kept like "brand new" by the current owner, through a meticulous maintenance and constant upgrading. Once on board it is hard to believe the yacht has been sailed and used for 14 years. All the refit and upgrades have been carried out by Official Oyster Service facilities or top quality professionals and the result is quite impressive. Ready to set sail to any destination, a viewing is highly recommended
