KEMPERS KETCH 24M

VAN DE MAKELAAR

This beautiful Kempers Ketch 24M canoe stern really justifies the term motor sailor. Giving the best of both worlds, she offers you a quiet and comfortable cruise, whether sailing or cruising steadily on her powerful engine, keeping her movements to a minimum thanks to her Koopnautic stabilizers. This Kempers ketch 24 M underwent major refit in 2024. She is absolute worth a visit.
