ARCONA 430

VAN DE MAKELAAR

The 2010 Arcona 430 is a performance cruiser known for its exceptional sailing performance, comfort, and solid build quality, earning it the "European Yacht of the Year" award in 2009. It features a luxurious, well-designed interior with a spacious salon and owner's cabin, combined with a practical cockpit layout. The boat was retrofitted in 2021 with in-boom furling, a new jib, sails, and rigging, plus a bow thruster, water maker, and lithium batteries for solar. She is in very good condition, being ready for a new owner.
