ENDURANCE 44

VAN DE MAKELAAR

This solid and very well build steel hull Endurance 44, designed by Peter Ibold, has a beautiful and comfortable cockpit and a spacious forward deck. You will find the accommodation area open and light and well equipped. The yacht has been well maintained by her experienced owner, the electrical system has been renewed onboard and the hull sanded and painted in 2023. The new watermaker, solar panels and lithium batteries give her full autonomy. Everything is operative for a safe passage.
